

Money Solutions UK can offer you Finance solutions even if you have found credit difficult to get in the past.

*We recognise that Carp fishing tackle is a serious investment to a carp angler.*

Therefore to give our customers added flexibility and the opportunity to spread their payments over a manageable period of time, we are proud to have teamed up with Money Solutions UK to be able to give you a quick and easy opportunity to arrange your own retail finance...

Money Solutions UK give you the opportunity to arrange your own finance through their panel of lenders but with only 1 loan application form to complete!

Money Solutions UK can offer you Finance solutions even if you have found credit difficult to get in the past.

- All you need is a bank account and be 18 or over, preferably with an email address and mobile phone.
- You can include additional items in your loan, delivery charges and even money for a holiday, car or consolidation (if required) in the loan advance.
- The minimum advance is £500 on standard personal loans, in some cases we can arrange loans at a minimum of £100
- Flexible payment options over 12 – 60 months or longer if required
- Rates of interest available are based on your circumstances and in some cases guarantor availability
